(hereinafter collectively "Plans and Specifications").

- (b) Seller shall construct the House (i) in accordance with the Plans and Specifications; (ii) in compliance with all laws, regulations, codes, and ordinances applicable to the construction of the House; and (iii) in a good and workmanlike manner with new, good quality materials and components.
(c) Seller shall not make any material deviation or change in the Plans and Specifications without the prior written consent of Buyer.

2. COST OF CONSTRUCTION.

(b) Seller shall pay all costs, charges, and other expenses, of any nature whatsoever, for Seller's construction financing of the House.

3. COMPLETION OF CONSTRUCTION. Seller shall diligently pursue the construction of the House, and shall complete construction of the House as a "turn-key" job on or before the Closing. If Seller is delayed at any time in the progress of construction by (a) any act or neglect of Buyer, (b) any changes ordered in the construction, (c) material shortages, adverse weather conditions, or delays in transportation which were not reasonably anticipated or (d) acts of God, then the time for completion of construction of the House and the Closing shall be extended automatically by a reasonable time to account for the delay experienced. Seller shall notify Buyer in writing within ten (10) days after the commencement of the delay; otherwise the right to an extension shall be waived. The construction of the House shall be deemed completed when (i) the House has been completed in accordance with the Plans and Specifications and is broom-clean; and (ii) a certificate of compliance has been issued by the appropriate governmental authority having jurisdiction over the construction of the House.

(b) Buyer agrees to make an advance payment toward the purchase price in the amount of \$ _____ ("Building Deposit") (insert "0" or "N/A" if no such payment will be made), to be paid to Seller (not Escrow Agent) on the Effective Date as set forth in paragraph 27 of the Contract. The Building Deposit is not a part of any earnest monies and will be used by Seller in the construction of the House. The Building Deposit will be credited to the purchase price at Closing, and the balance of the purchase price set forth in paragraph 4(f) of the Contract shall be reduced by the amount of the Building Deposit. The Building Deposit shall be refundable only in the event of a material breach of the Contract by Seller, the nonfulfillment of any of the conditions set forth in paragraphs 6 or 7 of the Contract, or if the Contract is terminated under paragraph 21.
